CERAMIC FAIR

Thank you for your visit to **TOASTED Ceramic Fair.**

We hope you enjoy hearing about potters' stories from the **FREE** 'Meet the Maker' talks, learn some skills from the demonstrations and have a go at the workshops. You'll see lots of very skilled sculptural, decorative and functional ceramics, be inspired by some incredible potters here today and even make a purchase or two! Potters have travelled from Scotland and Cornwall to be here today!

Do make sure you write down your **'People's Choice Award'** on the given card and hand it in at the end!

Tag any photos of hand-made sculptures or purchases on our socials **@ToastedCeramicFair** under the hashtag **#ToastedCeramicFair**, as well as the Potter! We **ALL LOVE** to see your day!

Thank you, and have an amazing time at **TOASTED**,

TOASTED CERAMIC FAIR

TOASTED Ceramic Fair boasts 37 potters!
Take time to follow the potters you see today on their websites or social media. Potters work hard to develop their ceramics and go through the trials and tribulations that I'm sure you've seen on the 'Throw Down' and the challenges they endure!
But at the same time it's an absolute pleasure for potters to show you their work and you bring them a little more happiness when you take a piece home.
Do share with us on socials what you've bought!
